

Dear Parents,

We will be creating an "A to Z Trash/Recycle Train" for our classroom. Your child has been assigned the letter _____. Please have them decorate a box (shoe box would work) with their letter. Help your child find 1 thing that begins with that letter that can be recycled. Please make sure it is clean, not too heavy, and can fit in the box. We will be attaching all the letter boxes together and making a train. Once the train is complete, the children will be encouraged to bring in other items to fill our "Recycle Train". Our caboose will be a trash can.

We hope to show them how much we throw away each day and what things can be recycled, while working on our sounds😊.

Thank you so much for your help,

Mrs. Kavanagh and Mrs. Szelc
